MEMORANDUM FOR: OBGI Historian

SUBJECT : Cartographic Support to Paris Peace Agreement

The attached maps were prepared in Cartography Division for attaching to the Protocols of the Paris Peace Agreement. The manner by which they were done illustrates the Agency's unique capability in government to respond to urgent requests for Cartographic support and is described herewith as a matter of interest to you as a contemporary historian.

24 January, Wednesday, 1030 - [REDACTED] Senior Desk Officer in the Far East Desk of Cartographic Research Branch (CD/R) received call from a staff secretary in the Office of the Special Assistant Vietnam Affairs (SAVA) alerting us to stand by for a rush job. [REDACTED] SAVA, was at that moment at the State Department receiving instructions from Ambassador Sullivan, who asked if CIA could prepare maps. At about the same time, Dr. Kissinger was reporting to the Washington Special Action Group, at which meeting he said that he did not want anyone to touch the map except "[REDACTED] people" (viz., CIA's Cartographers, who had provided continuing support to the National Security Staff and others concerned with supporting the search for peace going back to 1968). 25X1A

1300 - [REDACTED] CD/R, got first look at material to go onto maps. 25X1A

1400 - CD Task Force, [REDACTED] Cartographic Technician, type setter put on stand by until map sent to press. Printing Services Division alerted, with night crew handling the project. 25X1A
